BUSINESS & PROFESSIONAL EXPERIENCE

Founder & Owner — Car Washing Plant, Pigdamber, Indore

Nov 2025 – Present

- Founded and independently manage a car washing plant, overseeing daily operations, staffing, and customer service.
- Lead and supervise a team of washing staff, coordinating shift schedules and workload distribution to maintain consistent service quality.
- Manage cash flow, pricing, inventory of cleaning supplies, and equipment maintenance to control operating costs.
- Built a loyal local customer base through consistent service standards and strong customer relationship management.

Ran — Door-to-Door Car Washing Service, Indore

May 2025 – Oct 2025

- Launched and ran a mobile, on-demand car cleaning service, personally managing route planning, scheduling, and customer acquisition.
- Handled all aspects of the business independently, including service delivery, pricing, and customer communication.
- Gained direct experience in labour coordination, time management, and building a service business from scratch.

Business Associate — Import-Export Trading (Carrots & Beetroot), Indore

Seasonal

- Involved in the import-export trade of agricultural produce, including carrots and beetroot, coordinating with growers, transporters, and buyers.
- Support sourcing, quality checks, logistics coordination, and negotiation with vendors and trade partners.

Farm Operations — Family Farming Business, Indore

Seasonal

- Actively involved in farming operations, including crop planning, labour supervision, and day-to-day management of farm activities.
- Manage seasonal workforce and resources to ensure timely cultivation and harvesting.
